

FIFTH DOCTORAL STUDENTS' CONFERENCE

INTERNATIONAL DOCTORAL SCHOOL UNIVERSITY OF MURCIA

ORGANIZES:

5TH DOCTORAL STUDENTS' CONFERENCE

PRELIMINARY INFORMATION

The International Doctoral School announces its Fifth International Conference, which will take place at the University of Murcia at the end of May, 2019.

The Fifth International Conference will be hosted at the University Campus of Espinardo, and will focus on different aspects relating to doctoral students' training as well as promoting the specialization of young researchers and other professionals.

This annual conference provides novel researchers with an excellent opportunity to communicate and discuss their ideas. Doctoral students are encouraged to present their research as oral communications or posters and to share their experiences with other PhD students from different countries.
