

The Campus Mare Nostrum (CMN) project brings together, through the Universities of Murcia and Technical of Cartagena, the main research and innovation organizations (at national and regional level), leading companies in the industrial and services, beacons of excellence, business and social organizations, and international education, research and innovation networks.

Le projet Campus Mare Nostrum (CMN) réunit autour des Universités de Murcie et Polytechnique de Carthagène les principaux organismes de recherche et d'innovation nationaux et régionaux, les entreprises leaders dans les pôles industriels et tertiaires d'excellence, les organisations patronales et syndicales, ainsi que des réseaux internationaux d'éducation, de recherche et d'innovation.

El proyecto Campus Mare Nostrum (CMN) reúne, en torno a las Universidades de Murcia y Politécnica de Cartagena, a las principales organizaciones de investigación e innovación estatales y regionales, empresas líderes en los polos industriales y de servicios de excelencia, organizaciones empresariales y sociales, además de redes internacionales de educación, investigación e innovación.
